

Basketball Tasmania is pleased to invite applications from suitably qualified and experienced persons for the position of

General Manager South

- ✓ Are you passionate about community sport?
- ✓ Do you enjoy delivering high quality service, and competition management?
- ✓ Can you juggle multiple tasks and priorities with a high level of attention to detail?
- ✓ Do you enjoy working with a diverse range of passionate volunteers, coaches, referees, officials and administrators, all looking to provide great opportunities for people to play Basketball?

Basketball Tasmania is the governing body for the sport and is tasked with fostering the ongoing growth and development of Basketball at all levels. A key role in this development is the General Manager (South), working within the Southern region and servicing a broad range of stakeholders, competitions and competing demands, whilst building relationships and programs to ensure Basketball maximises the opportunities and interest in the game.

The General Manager (South) will promote, develop, and coordinate basketball initiatives and activities in the Southern region of Tasmania with a view to ensuring current stakeholders and competitions receive the necessary support to continue their effective operation as well as implementing strategies to grow the sport and increase participation rates.

Salary and package will be negotiated with the successful applicant.

For further information about this position or to obtain a detailed Position Description containing the required position requirements please visit the Basketball Tasmania website <http://www.basketballtasmania.com.au/>

Applications close at 5pm Monday 13th February and should address the Position Requirements and provide other information as indicated in the Position Description.

Applications should not exceed 6 pages in total and include the following:

- Letter of introduction
- Responses to Position Requirements
- Accompanying CV

Further enquires can be made by emailing kylie.french@basketballtas.com.au
